Dear Applicant,

We have received your application for lawful permanent residence in the United States. The receipt date is 03/28/03. We currently have approximately 26 months from receipt date to interview.

You will receive a notice for your fingerprints, and subsequently a letter for interview approximately two months prior to your appointment date. The appointment letter will advise you of the date, time, and location of the interview. The appointment letter will also advise you of the fees needed at the time of interview.

**FURTHER:**

- A) If you applied as a family, all members of the family must be present at the interview.  
B) If you are a diversity lottery winner, and do not receive an appointment for prints and interview, contact the office immediately, make a copy of this letter, and you are a DV case and have not received your appointment for interview. Your adjustment must be completed before September 30th of the filing year.  
C) If you are filing as a child, under 21 years of age, and will reach your 21st birthday before the backlog period is reached, please notify this office IMMEDIATELY, in order that the application be processed timely.

If you have filed for a work authorization card, you will receive an appointment letter for the interview within 90 days. If you choose to file for employment authorization at a later date, you must submit Form I-765. Request for work authorization by mail. Employment Authorization will not be issued on a walk-in basis. Please send the completed I-765 with proper fee to the following address:

U.S. Immigration and Naturalization Service  
P.O. Box A3462, Chicago, Illinois 60690-3462  
Attn: EAD

Since you have an application for adjustment pending and need to travel outside of the United States, you must file form I-131. Permission to travel is not an automatic grant. If at the time you file the application for residency, you were out of status or illegally in the United States for 6 months or longer, advance parole WILL NOT BE GRANTED. If the application is filed and you are denied, the filing fee is not refundable.

If you do not fall into either category B or C, please do not inquire about the status of your application prior to the backlog period mentioned. It will only further delay the processing time. Any ADDRESS CHANGES should be mailed with a copy of this letter to U.S. INS, P.O. Box A3462, Chicago, Illinois 60690-3462.

Sincerely,
